

# Demonstration of Proposed Features

|               |                                                    |
|---------------|----------------------------------------------------|
| Date          | 1 October 2026                                     |
| Team ID       | SWTID-2026-1235                                    |
| Project Name  | EduGenie: Google Gemini Powered Learning Assistant |
| Maximum Marks | 1 Mark                                             |

## Feature Implementation Summary

| S.No | Feature Name        | Description                                                   | Status      | Demonstrated (Yes/No) | Remarks                       |
|------|---------------------|---------------------------------------------------------------|-------------|-----------------------|-------------------------------|
| 1    | Concept Explanation | Provides simple AI-generated explanations for learning topics | Implemented | Yes                   | Gemini-powered                |
| 2    | Q&A                 | Answers user questions related to learning topics             | Implemented | Yes                   | AI-powered responses          |
| 3    | Quiz Generation     | Generates practice questions/quizzes                          | Implemented | Yes                   | Supports interactive learning |
| 4    | Summary Generation  | Generates concise study/revision summaries                    | Implemented | Yes                   | Useful for quick revision     |
| 5    | Learning Path       | Provides structured learning guidance/path                    | Implemented | Yes                   | Personalized learning support |
| 6    | Diagram Generation  | Generates visual/diagram-based learning content               | Implemented | Yes                   | Supports visual learning      |
| 7    | FastAPI Backend     | Provides backend API and application routes                   | Implemented | Yes                   | FastAPI + Uvicorn             |
| 8    | Web Interface       | Browser-based interface for interacting with EduGenie         | Implemented | Yes                   | HTML/CSS/JavaScript           |
| 9    | Future Enhancements | Login, saved history, multilingual support, deployment        | Pending     | No                    | Roadmap                       |

## Feature Implementation Summary

| Metric                      | Value  |
|-----------------------------|--------|
| Total Features Proposed     | 9      |
| Total Features Implemented  | 8      |
| Total Features Demonstrated | 8      |
| Overall Implementation Rate | 88.89% |
